Ally Lewis

Ft Collins, CO / (720) 530 4139 / allydiane14@gmail.com / LinkedIn

I am a fourth-year student at Colorado State University, studying environmental sciences. I am interested in building a career in Geospatial Sciences and am looking for a challenging internship that will allow the development of useful skills in the environmental field.

My core competencies include proficiency in ArcGIS and related software, Microsoft products, and introductory knowledge of Python. I am dependable, detail-oriented, and have experience in leadership.

| Education | |
|---|----------------------|
| Colorado State University – Undergraduate | |
| Bachelors in Ecosystem Science and Sustainability | December 2025 |
| Minor in Geospatial Sciences for Natural Resources | |
| Cumulative GPA: 3.4 | |
| | |
| Relevant Coursework | |
| Python for STEM | |
| Covered fundamental programming concepts like variables, data types, functions, and | Spring 2025 |
| control structures such as if-else statements | |
| Remote Sensing and Image Interpretation | |
| Practiced satellite imagery collection, land use classification, and measured reflections | Fall 2024 |
| of radiation using ENVI software | |
| Ecology | |
| • Gave core knowledge of relationships between organisms and their habitat, biodiversity, | Summer 2024 |
| ecosystems, population dynamics, and current environmental impacts | |
| Mapping, Cartography, and Spatial Thinking | |
| Additional practice with ArcGIS by collecting data off reputable websites, manipulation | Spring 2024 |
| of layers, and integration of long-term project structure | Spring 2021 |
| Introduction to Geospatial Science | |
| Learned basic functions of ArcGIS like cosmetic adjustments to shapefiles, | Fall 2023 |
| ModelBuilder, uploading data, and practice with geodatabases | 1 an 2023 |
| winderbuilder, uploading data, and practice with geodatabases | |
| | |
| Work Experience | |
| Parched (Panama Rainforest Changes with Experimental Drying) – Lab Assistant | Cant 2024 Days and |
| Measure bulk density and root biomass from collected soil samples | Sept 2024 – Present |
| Record measured data for future comparison | |
| | |
| Old Navy – Product Operations Lead | 1.6 0000 B |
| Organize, unpack, and place product on salesfloor in a timely manner | Mar 2022 – Present |
| Delegate daily tasks to associates, aid in functionality of business | |
| Delegate daily aisks to associates, and in functionality of business | |
| Advanced Urgent Care - COVID Swabber/ Front Desk Receptionist | |
| Completed COVID tests and recorded results in patient medical records | Sept 2021 – Mar 2022 |
| - Completed COVID tests and recorded results in patient medical records | |

Scheduled appointments and checked in patients
